## The KataLYST Kickoff

### Quiet Week in the Market

### — Back Next Week with Updates

Just a quick note for this week's *KataLYST Kickoff* —  
There's no new activity to report in the Iowa multifamily market.

- No new listings hit our radar
- No sales posted that passed our vetting filters
- No major shifts in pricing or momentum worth flagging

*Sometimes the market just takes a breath.*

We'll be back next week with fresh data and deeper insight as new opportunities emerge.

Until then — enjoy the week, and as always, if you're looking at deals or thinking about strategy... You know where to find me.
