The KatalYST Kickoff

This week we HAD to start off differently than normal and talk about comparable sales in the last two weeks first.

Why do you ask?

Because something **MONUMENTOUS** happened in the last two weeks;
Iowa officially attracted its first international investor and owner...

We are now an INTERNATIONAL market!

This sale was 3x larger than **ANY** previous sale by number of units and sales volume; in fact, this single sale dwarfs entire YEARS of sales volume...

This will be a **GAME-CHANGER** for Iowa...watch our latest **Kickoff** to learn more!

Also, due to a VERY stupid mistake we are re-building our YouTube channel so please don't forget to like and subscribe!
